INSTRUCTION FOR THE CANDIDATES

Students of any session reporting to the exams venue after their scheduled time will not be allowed to sit their exams and there will not be any exception to this. Please bear in mind that the end time of the exam may slightly vary due to technical issues. Hence, you may have to wait longer than the above-mentioned schedule.

If you have a theory examination on the same date, you should inform us as soon as you receive this schedule. We will then make arrangements for both exams in the same venue.

I would like to remind you to bring your valid passport and statement of entry (if you receive the SOE before the exam) with you so that we can confirm your identity registration at the entrance to the examination hall. If you fail to do so, you will not be allowed into the examination hall. Please do not bring any mobile phone or electrical device with you.

It is our duty to ensure that you sit your exam in optimum condition. Practical exams are designed to test not only your knowledge of the subject but also your ability to perform under 'real life' conditions and how you cope if things do not go as expected. Please pay close attention to the briefing at the beginning of the exam to find out what to do if something goes wrong, e.g. if a test tube breaks or a piece of equipment malfunctions.

If you have any queries or feel that something happened that may affect the outcome of your exam, please see the exams duty officer at the venue who will be able to convey this information to the awarding body for consideration. It is vital that you do this on the day of the exam.

Should you have any further queries please do not hesitate to get in touch with us through info.bd@britishcouncil.org

We wish you the very best of luck with your exams.

Sincerely yours
Head of Operations
