

Dear Candidate

**RE: Cambridge Assessment International Education May-June 2023.**

Thank you for taking your Cambridge Assessment International Education with the British Council.

On behalf of Cambridge Assessment International Education, we are offering the '**Enquiry about Results (EAR)**' services and the details of the services are given below.

**The deadline for submission of the fees and the completed form is 10 September 2023.**

Note: Enquiries about results are not available for component exemptions.

**The List of EAR services**

**Enquiry by Component** will be a review of externally assessed components as specified in the syllabus. Please ensure all components to be reviewed are listed in the form as Cambridge International Examinations are unable to accept additional component enquires for the same candidate/ syllabus at a later date. Please also note that all components selected for the same candidate / syllabus must be the same service.

(There is only one option available if you choose **Enquiry by Component service**.)

**Service 1: Clerical re-check**

This service checks that all parts of the script were marked, and that the marks were totalled and recorded correctly.

**Service 1S: Clerical re-check and copies of scripts**

The same as service 1 but you also receive a copy of the script. It is not available for Art & Design syllabuses.

**Service 2: Review of marking**

A review of the original marking to check the agreed mark scheme was applied correctly. This service also includes the re-checks in service 1. It is not available for multiple-choice question papers.

**Service 2S: Review of marking and copies of scripts**

The same as service 2 but you also receive a copy of the script. It is not available for multiple-choice question papers. This service is not available for art and design syllabuses.

Candidate can only request one service type for the components of the same syllabus. For example, candidate cannot request a 'Service 2S' for one component and then a 'Service 1S' for another component if they are components of the same syllabus.
