# THE DIGITAL LIBRARY

## Background

The British Council is the UK's international organisation for cultural relations and educational opportunities. We are on the ground in **six continents and over 100 countries**, bringing international opportunity to life, every day. We work to **develop English Language skills through direct teaching, digital products, administering Exams, and developing teachers of English.**

We work with the best of the British creative talent to develop innovative, high-quality events and collaborations at home and abroad. Our focus is on **institutional links and nurturing new networks that can blossom into sustainable creative partnership in the long term.** We are working with the **government to support them in their ambitious secondary sector reform project**, such as in professional development frameworks for teachers. In addition, we support the inclusion of 21st century skills in the curriculum through the capacity building of teachers. Our recently introduced **Digital Library aims to provide greater access to information on the go and support its user to achieve their fullest potential by using it.**

## The Digital Library

We have spent months to curate a brilliant solution which will enable you to carry our library in your pocket. Thus, we have introduced our Digital Library app which will entitle you to carry our **ever-expanding 80,000+ collections** on the go. **Be it on a stuck traffic or in your class break or on your coffee break:** the library is there, always, **on the palm of your hand.** As a member of the British Council Digital Library, you will have world-class resources at the tip of your fingers, from online study resources to popular eBooks and audiobooks, and **award-winning movies and documentaries.**

## Testimonials

Discover what our favourite patrons are saying about our Digital Library:

*“Before the liberation war, I used to watch theatre in the British Council premise. I really appreciate that this organization works on Culture for development. And now they have the Digital Library which is a great asset for the young crowd in Bangladesh.”*

**Sara Zaker, Actor, Director, Chairperson, Mongoldeep Foundation.**

*“The environment of the British Council is always amazing. They offer diversified programmes for young people and children which is very much appreciative.”*

**Asaduzzaman Noor, Actor, Politician and Activist.**

*“I obtained family membership of the British Council Dhaka library so that my children can access the library resources. I wanted to provide my young daughter with the opportunity to read a wide range of books and needed to install the reading habit in my son’s profile. I am always delighted to see the natural joy in my children while they spend time in the library with books, play at the young learner’s corner or enjoy with their peer in the green lawns of the library premise. I feel relaxed to let them by themselves in the library with other young learners as the premise is child friendly and secured.”*

**Asraful Islam, Head of Procurement, British Council.**
